# **Christchurch Infant School** (URN: 113734) **School performance summary 2018/2019**

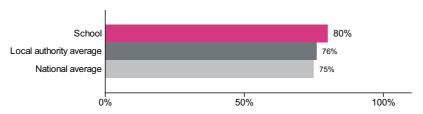

A glossary explaining terms used in this report is at the end of the printed version.

### Key stage 1

This is provisional data for 2018/19.

### Percentage achieving the expected standard or higher in reading

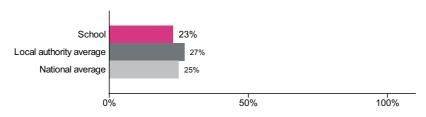

Number of pupils = 120

Percentage achieving the expected standard or higher in reading

### Percentage achieving greater depth in reading

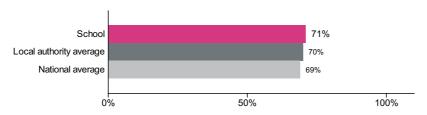

Number of pupils = 120

Percentage achieving greater depth in reading

# Percentage achieving the expected standard or higher in writing

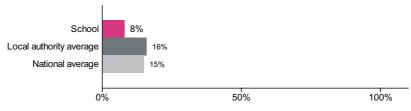

Number of pupils = 120

Percentage achieving the expected standard or higher in writing

# Percentage achieving greater depth in writing

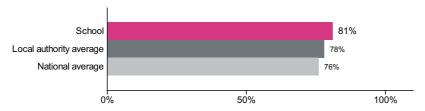

Number of pupils = 120

Percentage achieving greater depth in writing

# Percentage achieving the expected standard or higher in maths

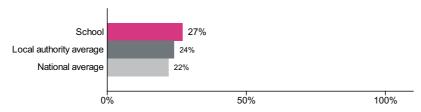

Number of pupils = 120

Percentage achieving the expected standard or higher in maths

# Percentage achieving greater depth in maths

Number of pupils = 120

Percentage achieving greater depth in maths

# **Key stage 1 additional reports**

# Reading attainment by pupil group

### **Absence**

The national comparators shown are based on a breakdown of state-funded primary, state-funded secondary and special schools, in line with statistical releases on absence.

This data includes all absences reported during the autumn term 2018 and spring term 2019. For schools which opened or closed part way through this period, their absence information will be based on a shorter period.

Read more about the methodology used for compiling absence statistics

			Absence				
Breakdown	No. of enrolments in the school	Sessions missed due to absence					
		School %	National %	Persistent absentees - absent for 10% or more sessi		sions	
				No. of enrolments that are persistent absentees	School %	National %	
All pupils	243	3.4	3.9	16	6.6	8.4

### **School characteristics**

### **Basic characteristics trends**

This is final data for 2018/2019 (January 2019 census data).

For a small number of schools there may be slight discrepancies between school characteristics data displayed in ASP and data in the IDSR. This is because the IDSR is based on the January school census but ASP data has incorporated some updates made after the January school census.

	Up to Key stage 2	basic characteristic	s trends				
Breakdown	20	2017			2019		
	School	National	School	National	School	National	
Number on roll	360	279	361	281	358	282	
Male %	53.3	51.0	52.1	51.0	52.2	51.0

# Basic characteristics by national curriculum year group

This is final data for 2018/2019 (January 2019 census data).

For a small number of schools there may be slight discrepancies between school characteristics data displayed in ASP and data in the IDSR. This is because the IDSR is based on the January school census but ASP data has incorporated some updates made after the January school census.

	Basic characteristics by national curriculum year group												
National curriculum year group	Number on roll	Male %	Female %	Ever 6 FSM %		English additional language %	All SEN %	SEN EHCP %	SEN support %				
2	119	55	45	8	13	5	18	3	15				
1	120	49	51	9	9	4	24	1	23				
Pre-compulsory	119	52	48	9	4	2	12	2	10				

# Prior attainment of pupils by year group

This is final data for 2018/2019 (January 2019 census data).

For a small number of schools there may be slight discrepancies between school characteristics data displayed in ASP and data in the IDSR. This is because the IDSR is based on the January school census but ASP data has incorporated some updates made after the January school census.

No data is available for this report for this school.

### **Glossary**

### Key stage 1

#### Key stage 1 Performance measures

#### Percentage achieving the expected standard or higher in reading

The pupil achieved the expected standard or greater depth in reading. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Percentage achieving greater depth in reading

The pupil achieved a greater depth in reading. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Percentage achieving the expected standard or higher in writing

The pupil achieved the expected standard or greater depth in writing. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Percentage achieving greater depth in writing

The pupil achieved a greater depth in writing. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Percentage achieving the expected standard or higher in maths

The pupil achieved the expected standard or greater depth in maths. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Percentage achieving greater depth in maths

The pupil achieved a greater depth in maths. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Local authority average

The data used for this comparator is all state-funded schools in this school's local authority.

#### National average

The data used for the national comparator is all state-funded schools in England. These include academies, free schools, local authority maintained schools and special schools.

#### Key stage 1 reports

#### Male

The national comparator used in this row is the national average for male pupils.

#### Female

The national comparator used in this row is the national average for female pupils.

#### Disadvantaged

Pupils may be defined as disadvantaged if:

- they are known to have been eligible for free school meals in the past 6 years, or
- they are recorded as having been looked after for at least one day, or
- they are recorded as having been adopted from care

The national comparator for this row is the national average for non-disadvantaged children.

#### **Ever 6 FSM**

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

The national comparator used in this row is the national average for children who are not eligible for free school meals.

#### Children looked after

This means children looked after by local authority for at least 1 day during the year and aged 4-15 as at 31 August. It excludes children looked after under an agreed series of short placements and also those who were on remand/committed for trial or sentence and accommodated by the local authority.

Small CLA cohorts in most schools mean you should treat this data with caution, in particular when comparing against national benchmarks. Also, note that ASP uses a different definition for the CLA national average compared to other <u>DfE statistical publications</u> covering attainment of looked after children.

The national comparator used in this row is the national average for pupils in state-funded schools who have not been looked after for 1 day for the year in

question. Note that 'not looked after children' in this case will include pupils who may have been looked after previously but were not looked after for at least 1 day in the year in question as well have pupils who have never been looked after.

https://www.gov.uk/government/statistics/outcomes-for-children-looked-after-by-las-31-march-2018

#### Other

Non-disadvantaged children

The national comparator used in this row is the national average for non-disadvantaged children.

#### **SEN EHCP**

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an Education, Health and Care Plan (EHCP).

The national comparator used in this row is the national average for all pupils.

#### **SEN** support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

The national comparator used in this row is the national average for all pupils.

#### No SEN

Pupils with no Special Educational Needs.

The national comparator used in this row is the national average for pupils with no SEN.

#### English first language

This refers to children who were initially exposed to English during early development and continue to be exposed to English in the home or in the community.

The national comparator used in this row is the national average for all pupils.

#### English additional language

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

The national comparator used in this row is the national average for all pupils.

#### National average

The data used for the national comparator is all state-funded schools in England. These include academies, free schools, local authority maintained schools and special schools.

#### Reading

#### Achieved greater depth

The pupil achieved a greater depth in reading. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Achieved the expected standard or higher

The pupil achieved the expected standard or greater depth in reading. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Working towards

The pupil is working towards the expected standard of reading.

https://www.gov.uk/government/publications/pre-key-stage-1-standards

#### Pre-key stage 1 standards

Read more about the pre-key stage 1 standards.

https://www.gov.uk/government/publications/pre-key-stage-1-standards

#### Writing

#### Achieved greater depth

The pupil achieved a greater depth in writing. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Achieved the expected standard or higher

The pupil achieved the expected standard or greater depth in writing. Read more about key stage 1 standards.

#### Working towards

The pupil is working towards the expected standard of writing.

https://www.gov.uk/government/publications/pre-key-stage-1-standards

#### Pre-key stage 1 standards

Read more about the pre-key stage 1 standards.

#### Maths

#### Achieved greater depth

The pupil achieved a greater depth in maths. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Achieved the expected standard or higher

The pupil achieved the expected standard or greater depth in maths. Read more about key stage 1 standards.

https://www.gov.uk/government/publications/teacher-assessment-frameworks-at-the-end-of-key-stage-1

#### Working towards

The pupil is working towards the expected standard of maths.

https://www.gov.uk/government/publications/pre-key-stage-1-standards

#### Pre-key stage 1 standards

Read more about the pre-key stage 1 standards.

https://www.gov.uk/government/publications/pre-key-stage-1-standards

### **Phonics Performance measures**

#### Attainment in phonics by mark

This graph shows the distribution of pupils' marks in phonics. A mark of 32 or higher out of 40 is the expected standard for the phonics check.

#### Attainment in phonics by %

This graph shows the distribution of pupils' marks in phonics against national and local authority comparators. A mark of 32 or higher out of 40 is the expected standard for the phonics check.

#### Marks in phonics check

Percentages have been rounded to nearest whole number, so may not sum to 100.

#### Local authority average

The data used for this comparator is all state-funded schools in this school's local authority.

#### National average

The data used for the national comparator is all state-funded schools in England. These include academies, free schools, local authority maintained schools and special schools.

#### Year 1 attainment

#### National average

The data used for the national comparator is all state-funded schools in England. These include academies, free schools, local authority maintained schools and special schools.

#### Disadvantaged

Pupils may be defined as disadvantaged if:

- they are known to have been eligible for free school meals in the past 6 years, or
- they are recorded as having been looked after for at least one day, or
- they are recorded as having been adopted from care

The national comparator for this row is the national average for non-disadvantaged children.

#### Ever 6 FSM

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

The national comparator used in this row is the national average for children who are not eligible for free school meals.

#### Children looked after

This means children looked after by local authority for at least 1 day during the year and aged 4-15 as at 31 August. It excludes children looked after under an agreed series of short placements and also those who were on remand/committed for trial or sentence and accommodated by the local authority.

Small CLA cohorts in most schools mean you should treat this data with caution, in particular when comparing against national benchmarks. Also, note that ASP uses a different definition for the CLA national average compared to other <u>DfE statistical publications</u> covering attainment of looked after children.

The national comparator used in this row is the national average for pupils in state-funded schools who have not been looked after for 1 day for the year in question. Note that 'not looked after children' in this case will include pupils who may have been looked after previously but were not looked after for at least 1 day in the year in question as well have pupils who have never been looked after.

https://www.gov.uk/government/statistics/outcomes-for-children-looked-after-by-las-31-march-2018

#### Other

Non-disadvantaged children.

The national comparator used in this row is the national average for non-disadvantaged children.

#### **SEN EHCP**

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an education, health and care plan (EHCP).

The national comparator used in this row is the national average for all pupils.

#### SEN support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

The national comparator used in this row is the national average for all pupils.

#### No SEN

Pupils with no Special Educational Needs.

The national comparator used in this row is the national average for pupils with no SEN.

#### **English first language**

This refers to children who were initially exposed to English during early development and continue to be exposed to English in the home or in the community.

The national comparator used in this row is the national average for all pupils.

#### English additional language

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

The national comparator used in this row is the national average for all pupils.

#### Year 2 attainment

#### Disadvantaged

Pupils may be defined as disadvantaged if:

- they are known to have been eligible for free school meals in the past 6 years, or
- they are recorded as having been looked after for at least one day, or
- they are recorded as having been adopted from care

The national comparator for this row is the national average for non-disadvantaged children.

#### Ever 6 FSM

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

The national comparator used in this row is the national average for children who are not eligible for free school meals.

#### Children looked after

This means children looked after by local authority for at least 1 day during the year and aged 4-15 as at 31 August. It excludes children looked after under an agreed series of short placements and also those who were on remand/committed for trial or sentence and accommodated by the local authority.

Small CLA cohorts in most schools mean you should treat this data with caution, in particular when comparing against national benchmarks. Also, note that ASP uses a different definition for the CLA national average compared to other <u>DfE statistical publications</u> covering attainment of looked after children.

https://www.gov.uk/government/statistics/outcomes-for-children-looked-after-by-las-31-march-2018

#### Other

Non-disadvantaged children

The national comparator used in this row is the national average for non-disadvantaged children.

#### **SEN EHCP**

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an education, health and care plan (EHCP).

The national comparator used in this row is the national average for all pupils.

#### SEN support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

The national comparator used in this row is the national average for all pupils.

#### No SEN

Pupils with no Special Educational Needs.

The national comparator used in this row is the national average for pupils with no SEN.

#### **English first language**

This refers to children who were initially exposed to English during early development and continue to be exposed to English in the home or in the community.

The national comparator used in this row is the national average for all pupils.

#### English additional language

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

The national comparator used in this row is the national average for all pupils.

### **Absence**

#### National average

The national comparator used for primary schools is all state-funded mainstream primary schools in England. The national comparator used for secondary schools is all state-funded mainstream secondary schools in England. The national comparator for special schools used here is the national average for special schools. Included in these are academies, free schools and local authority maintained schools. Special schools also include non-maintained special schools.

#### Male

The national comparator used in this row is the national average for male pupils.

#### **Female**

The national comparator used in this row is the national average for female pupils.

#### Ever 6 FSM

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

The national comparator used in this row is the national average for children who are eligible for free school meals.

#### Non-Ever 6 FSM

Pupils who were not eligible for free school meals in any of the previous 6 academic years.

The national comparator used in this row is the national average for children who are not eligible for free school meals.

#### **SEN EHCP**

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an education, health and care plan (EHCP).

The national comparator used in this row is the national average for pupils with an EHCP.

#### **SEN** support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

The national comparator used in this row is the national average for pupils with SEN support.

#### No SEN

Pupils with no Special Educational Needs

The national comparator used in this row is the national average for pupils with no SEN.

#### **English first language**

This refers to children who were initially exposed to English during early development and continue to be exposed to English in the home or in the community.

The national comparator used in this row is the national average for pupils with English as their first language.

#### **English additional language**

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

The national comparator used in this row is the national average for pupils with English as an additional language.

#### School characteristics

#### Basic characteristics trends

#### Up to Key stage 5 basic characteristics trends

#### National average

The national comparator used for primary schools is all state-funded mainstream primary schools in England. The national comparator used for secondary schools is all state-funded mainstream secondary schools in England. For all-through schools, the national comparator is all state-funded mainstream secondary schools in England. The national comparator used for special schools is all state-funded special schools in England. 2017 and 2018 figures are not available as this is a new measure. Included in these are academies, free schools, local authority maintained schools and special schools.

#### Male

The national comparator used in this row is the national average for male pupils.

#### **Female**

The national comparator used in this row is the national average for female pupils.

#### Ever 6 FSM

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

The national comparator used in this row is the national average for children who are eligible for free school meals.

#### Minority ethnic groups

Pupils who are not white British

The national comparator used in this row is the national average for non-white British pupils.

#### **SEN EHCP**

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an education, health and care plan (EHCP).

The national comparator used in this row is the national average for pupils with SEN with EHCP.

#### SEN support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

The national comparator used in this row is the national average for pupils with SEN support.

#### **English additional language**

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

The national comparator used in this row is the national average for pupils with English as an additional language.

#### Stability %

Stability is a measure of the percentage of students who were admitted to the school at the standard time of admission. The stability percentage is found by dividing pupils considered stable by all eligible pupils (pupils in years 1 to 11 and with current single or current main dual registration at the school).

The national comparator used in this row is the national average for stable pupils.

#### School deprivation indicator

Pupils living in an area of income deprived families.

The national comparator used in this row is the national average for pupils living in an area of income deprived families.

#### Basic characteristics by national curriculum year group

#### **Ever 6 FSM**

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

#### Minority ethnic groups

Pupils who are not white British.

#### **English additional language**

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

#### All SEN

Includes SEN pupils with an education, health and care plan and SEN support pupils.

#### **SEN EHCP**

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an education, health and care plan (EHCP).

#### SEN support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

#### Post-compulsory

The post-compulsory stage is key stage 5 (16-18 provision).

#### Pre-compulsory

The pre-compulsory stage is nursery/ reception (Early years foundation stage profile level).

#### Prior attainment of pupils by year group

#### Prior attainment data

This data shows the previous key stage prior attainment for each school year. For example, the year 11 row shows the prior attainment of pupils at key stage 2, when they were in year 6.

#### National average

The data used for the national comparator is all state-funded schools in England. These include academies, free schools, local authority maintained schools and special schools.

#### Key stage 2 prior attainment by year group (years 10 and 11)

#### High overall

Prior attainment is the attainment level of a pupil at the end of the previous key stage - key stage 2. These figures indicate how well a school helps all of its pupils to meet their potential. High prior attainers achieved an average point score of 30 or higher. Read more about average point scores.

https://www.gov.uk/government/publications/primary-school-accountability

#### Middle overall

Prior attainment is the attainment level of a pupil at the end of the previous key stage - key stage 2. These figures indicate how well a school helps all of its pupils to meet their potential. Middle prior attainers achieved an average point score of 24 or higher and below 30. Read more about average point scores.

https://www.gov.uk/government/publications/primary-school-accountability

#### Low overall

Prior attainment is the attainment level of a pupil at the end of the previous key stage - key stage 2. These figures indicate how well a school helps all of its pupils to meet their potential. Low prior attainers achieved an average point score of below 24. Read more about average point scores.

https://www.gov.uk/government/publications/primary-school-accountability

#### Key stage 2 prior attainment by year group (years 7, 8 and 9)

#### Average scaled score

This score is an average for pupils in the school. The expected standard is a score of 100 or more. The higher standard is 110 or more. For a more detailed explanation, see Scaled scores at key stage 2.

https://www.gov.uk/guidance/scaled-scores-at-key-stage-2

#### Achieving the expected standard

Pupils are meeting the expected standard if they achieve a scaled score of 100 or more in their reading and maths tests, and their teacher assesses them as 'working at the expected standard' or better in writing. For a more detailed explanation, see Scaled scores at key stage 2.

https://www.gov.uk/guidance/understanding-scaled-scores-at-key-stage-2

#### Achieving the expected standard

Pupils are meeting the expected standard if their teacher assesses them as 'working at the expected standard' or better in writing.

#### Key stage 1 prior attainment by year group

#### High overall

Prior attainment is the attainment level of a pupil at the end of the previous key stage - key stage 1. These figures indicate how well a school helps all of its pupils to meet their potential. High prior attainers achieved an average point score of 18 or higher. Read more about average point scores.

https://www.gov.uk/government/publications/primary-school-accountability

#### Middle overall

Prior attainment is the attainment level of a pupil at the end of the previous key stage - key stage 1. These figures indicate how well a school helps all of its pupils to meet their potential. Middle prior attainers achieved an average point score of 12 or higher and below 18. Read more about average point scores.

https://www.gov.uk/government/publications/primary-school-accountability

#### Low overall

Prior attainment is the attainment level of a pupil at the end of the previous key stage - key stage 1. These figures indicate how well a school helps all of its pupils to meet their potential. Low prior attainers achieved an average point score of below 12. Read more about average point scores.

https://www.gov.uk/government/publications/primary-school-accountability

#### Key stage 1 reading prior attainment by year group

#### Achieved greater depth

The pupil achieved a greater depth of reading, compared to the standard.

#### Achieving the expected standard

The pupil achieved or exceeded the expected standard of reading.

#### Working towards

The pupil exceeded the pre-key stage 1 standard of reading and was working towards the key stage 1 standard.

#### **Foundations**

The pupil achieved the pre-key stage 1 standard of reading.

#### Below pre-key stage 1

The pupil did not achieve the pre-key stage 1 standard of reading.

#### Key stage 1 writing prior attainment by year group

#### Achieved greater depth

The pupil achieved a greater depth of writing, compared to the standard.

#### Achieving the expected standard

The pupil achieved or exceeded the expected standard of writing.

#### Working towards

The pupil exceeded the pre-key stage 1 standard of writing and was working towards the key stage 1 standard.

#### **Foundations**

The pupil achieved the pre-key stage 1 standard of writing.

#### Below pre-key stage 1

The pupil did not achieve the pre-key stage 1 standard of writing.

#### Key stage 1 maths prior attainment by year group

#### Achieved greater depth

The pupil achieved a greater depth of maths, compared to the standard.

#### Achieving the expected standard

The pupil achieved or exceeded the expected standard of maths.

### Working towards

The pupil exceeded the pre-key stage 1 standard of maths and was working towards the key stage 1 standard.

#### **Foundations**

The pupil achieved the pre-key stage 1 standard of maths.

#### Below pre-key stage 1

The pupil did not achieve the pre-key stage 1 standard of maths.
