

Our new topic will be 'Superheroes'

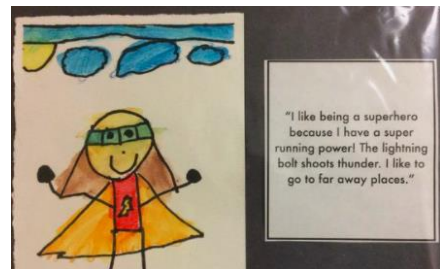

In this topic we will be learning about fictional superheroes, famous superheroes from the past and real-life heroes from present day.

For your home learning, please create your own new superhero identity!

You could:

- Use the superhero identity sheet provided – you could draw a picture or add a photo!

- Create your own poster about your new identity

- Create a video explaining your superhero identity – what are your super powers?

- Design your own superhero costume – you could even try to make it!

Have fun creating your home learning together as a family.

We look forward to seeing your wonderful creations!

Please bring into school on
Monday 1st November 2021
